## The League Rules

**This is a "RECREATIONAL" league.**

- All rules, regulations, policies and procedures of the Genoveva Chavez Community Center apply.
- The Ice Arena General Manager is the final authority in all matters and reserves the right to remove any player or team from the league at any time, for any reason with no refund.
- The League Commissioner is responsible for the day to day operations of the league. The League Commissioner must be an employee of the rink.
- A Review Board composed of the League Commissioner and team captains (chosen by the League Commissioner) will be used for matters of arbitration.
- All USA Hockey rules apply for league play. **All skaters MUST be USA Hockey registered and show proof of registration.**
- **All Skaters MUST be 18 years old or older.**
- Abusive conduct of any type towards any on ice or off ice official will not be tolerated and may result in a league suspension.
- Anyone who engages or attempts to engage in fighting will be immediately expelled from the League for the remainder of the season with **\*NO REFUND\***.
- Any player accumulating 3 penalties during a game will receive an automatic game ejection and one game suspension.
- Any player accumulating 2 mis-conduct or 2 unsportsmanlike penalties in the same game will receive an automatic game ejection and a one game suspension.
- All games will have a 1 hour 15 minute time limit. First two periods will be 20 minute run time and the third period will be a 15 minute stop clock. No game will be allowed to exceed the 1 hour 15 minute time limit.
- If there is a 5-goal difference the clock will run for the 3<sup>rd</sup> period.
- Every player must have Home & Away "League Jerseys". If a player violates this rule, they will be sent off the ice by the referees. The home team wears white jerseys.
- Full hockey equipment is required for all players. H.E.C.C. approved helmets are required for all players. Any player not wearing proper equipment will not be allowed to play. ½ shield and mouth guard **REQUIRED**, full cage-shield and mouth guard are strongly encouraged.
- Team captains are responsible for players serving game misconducts. Failure to adhere to this rule will result in a one game suspension for team captain.
- Team captains or AC's acting as team captains are the only ones allowed to discuss any part of the game with a referee during the course of a game. No player may argue ANY call by the referee and may be subject to a 2-minute unsportsmanlike penalty for any inappropriate behavior. Team captains, alone, may request an *explanation* from a referee. Referees may professionally refuse an explanation or defer it to the end of the game.
- The Blood Rule: Any player or goaltender that is obviously bleeding will be ruled off the ice during the course of the game. Player or goaltender will not be allowed to return to play until the bleeding has stopped and the cut or abrasion has been covered. Any affected equipment must be properly decontaminated or exchanged.
- **THERE WILL BE NO SUBSTITUTES OR DROP-IN SKATERS ALLOWED.** Current roster skaters can fill a team that is short players.
- A game can be considered a forfeit for any team that does not have at least "5" roster players on the ice at the start of the game. Both captains will determine the outcome of this issue.
- Game times are forfeit times. Forfeits will be left up to the discretion of the League Commissioner, referees or scorekeeper (in this order).
- During warm ups pucks are not to be shot at the spectator side of the rink.
- If a situation develops and escalates to the point that, in the referees' opinion, endangers the safety of the players or disrupts the normal course of play, the referees will, at their discretion, stop play, issue a referee timeout, stop the clock (regardless of the period) and send all players to their respective benches. Both team captains will be brought into the referees crease and issued a warning that things are "getting out of hand." It is the sole responsibility of the team captains to take whatever steps are necessary to bring their players under control. There will be **NO** other warnings! If the situation continues, the referees will, at their discretion, stop play and issue a game forfeit to one or both teams. **NO** further protest is allowed.
- There will be **NO refunds!**
